

Ritz Carlton Hotel and Suites ~ Placer County ~

Construction Update November 2007

Coastland reviewed the plans and is currently inspecting the seven-story Ritz-Carlton hotel and suites located at Northstar-at-Tahoe ski resort. This 173-room resort has an estimated construction cost of \$300 million. The soon-to-be world-famous five-star resort is slated for completion in late 2009.

Exterior winterization tenting starts on Wing D

Wall forming on the ramp continues

WING B: West side of Head House roof decking is installed

Pan deck covers are installed over concrete chases and are prepared for concrete pour
